FEATURES

- Dual articulating swing arms allows for ideal device placement
- Compatible with a variety of RAM® laptop, tablet, and other device holders
- Made of powder-coated, marine-grade aluminum
- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

The RAM-VB-110-1U consists of a double swing arm with swivel socket arm and 2.5" diameter round base with the universal AMPS hole pattern. This mount allows you to twist and tilt the viewing angle of your laptop, tablet, UMPC, monitor, or any other connected electronic device, when mounted on your RAM vehicle mount. Taking the highly successful RAM vehicle mounts to the next level, this rotating swivel arm gives you even more viewing positions for your mounted electronic device while holding everything firmly in place.
