## RAM® Drill-Down Dashboard Mount with Backing Plate - C Size Short

**Part #:** RAM-101-B-225B2U **UPC:** 793442848971

### FEATURES

- Drill-down double ball mount with 2.10" x 2.60" steel backing plate that connects to RAM® components containing the universal AMPS hole pattern
- Includes C size 1.5" RAM® rubber ball and short length double socket arm; ball and socket technology allows for near-infinite adjustability
- Components made of powder-coated, marine-grade aluminum, and steel for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

**PRODUCT INFORMATION****OVERVIEW**

Meet your new go-to mount and component option for pairing any holder or dock with a dashboard drill-down mount. The RAM-101-B-225B2U consists of a C size short length double socket arm, two round 2.5" diameter round bases with the universal AMPS hole pattern, and one 2.10" x 2.60" steel backing plate (hardware included). RAM®'s patented rubber ball and socket technology dampens shock and vibration and allows for near-infinite adjustment, enabling perfect viewing and operating angle of your device.

**SPECIFICATIONS****PRODUCT DIMENSIONS**
