IntelliSkin® Next Gen for Samsung Tab A 8.0 (2019) SM-T290 & T-295

Part #: RAM-GDS-SKIN-SAM55-NG **UPC:** 793442010477 **Patented & Pats. Pend.**

FEATURES

- Protective sleeve features GDS® Technology™ and combines a hard plastic shell with soft, shock-absorbing rubber; designed specifically for Samsung Galaxy Tab A 8.0 (2019)
- GDS® connector and docking contacts provide charging and data sync capabilities; universal positioning marker compatible with IntelliSkin® Next Generation docks
- External USB Type-C connector allows for charging capabilities when GDS® Docks™ are not available
- Backed by a 3-year warranty

PRODUCT INFORMATION	
OVERVIEW	<p>The IntelliSkin® Next Generation protective sleeve for the Samsung Galaxy Tab A 8.0 (2019) includes all the great features of the original IntelliSkin® while adding several enhancements. An insert molded redesign of the skin combines a hard plastic shell with soft, shock-absorbing rubber. Ruggedized contacts for repetitive docking in field applications remain on the exterior, but are now flat to collect less dirt and allow for easier cleaning. And an integrated USB Type-C connector at the bottom of the skin allows for device charging even when you don't have a GDS® Dock™ available. Like the original IntelliSkin®, these sleeves still provide military-grade drop protection and prevent damage to your device's charging port from constant docking with an integrated GDS® connector molded directly into the skin. The IntelliSkin® Next Generation for the Samsung Galaxy Tab A 8.0 (2019) is compatible with a variety of GDS® Docks™ and accessories, as well as new docking cups for upgrading existing GDS® vehicle docks. Always Protected. Always Connected.®</p>
