PRODUCT INFORMATION	
OVERVIEW	The RAM® Quick-Grip™ product line gets an Apple MagSafe Charger compatible insert. Designed specifically to fit the official Apple MagSafe Charger, this RAM® Quick-Grip™ cradle base has a removable backing plate so you can install your Apple MagSafe Charger directly into the holder with the ability to adjust the positioning of the charging disk depending on your iPhone 12 model iPhone. This insert allows a perfect and secure fit for the MagSafe's charging disk and is only compatible with iPhone 12, 12 Pro, and 12 Pro Max, with or without an official Apple MagSafe case.
