PRODUCT INFORMATION	
OVERVIEW	<p>The RAM® Quick-Grip™ product line gets an Apple MagSafe Charger compatible insert. Designed specifically to fit the official Apple MagSafe Charger, this RAM® Quick-Grip™ phone holder has a removable backing plate so you can install your Apple MagSafe Charger directly into the holder with the ability to adjust the positioning of the charging disk depending on your iPhone 12 model iPhone. This insert allows a perfect and secure fit for the MagSafe's charging disk and is only compatible for the iPhone 12, 12 Pro, 12 Pro Max, and 12 mini with or without an official Apple MagSafe case. Included in this kit is the RAM® Twist-Lock™ B size suction cup base with B size medium length socket arm, perfect for windshield mounting in your vehicle. Take advantage of your iPhone 12's magnetic MagSafe charging abilities with this MagSafe mount.</p>
