

## RAM® Universal Post Clamp Mount with Diamond Plate - C Size Medium Arm

**Part #:** RAM-102U-247 **UPC:** 793442018121

### FEATURES

- 2.43" x 1.31" diamond plate connects to RAM® device holders containing the universal AMPS hole pattern
- Includes 4" clamping base for posts and a medium length, C size RAM® double socket arm; ball and socket technology allows for near-infinite adjustability
- Made of powder-coated, marine-grade aluminum for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

### PRODUCT INFORMATION

#### OVERVIEW

The RAM® Universal Post Clamp Mount with Diamond Plate - C Size Medium Arm (RAM-102U-247) is a mounting solution designed to secure large handheld devices to forklifts. This kit consists of one (1) double socket C size medium arm, one (1) diamond plate with C size ball, and one (1) square post clamp. The square post clamp will wrap around a square post with a maximum width of 4" and is tightened by screwing the two plates together with the included nuts and bolts. The RAM® rubber ball and socket technology dampens shock and vibration, as well as allows for almost infinite adjustment and perfect viewing angles.
