- Made of high-strength composite materials for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

This is the GDS® Tough-Dock™ body component essential for building a complete GDS® Tough-Dock™ or Cool-Dock™. This body component is designed specifically to hold an IntelliSkin® Next Gen-wrapped Apple iPad Air 4, Air 5 and Pro 11" 1st, 2nd & 3rd Gen. To complete the build, simply choose a compatible top locking or non-locking latch, compatible bottom cup with various charging and data transfer capabilities, as well as an optional fan accessory to build a GDS® Cool-Dock™. Always Protected. Always Connected.®
