Part #: RAM-VPR-101 **UPC:** 793442902338 **Patented**

FEATURES

- Form-fit cradle is specifically designed to hold Brother PocketJet 8 series, 7, 6, 6 Plus, and 673 portable printers, as well as Printek Interceptor 80 Series
- Compatible with RAM® round ball bases for attaching a double socket arm; ball and socket technology allows for near-infinite adjustability
- Made of high-strength composites for durability and reliability in the most demanding environments
- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

The RAM-VPR-101 is designed to hold Brother® PocketJet® Series portable printers, as well as the Printek Interceptor 80 Series. A custom fit enclosure, the cradle is form fitting with no sharp edges and adds little to the overall size of the printer. Key features are full view of LED's, sight hole to check paper level, and a caddy to store pens, cell phone, paper clips, glasses and other useful items. Complete kits are available as stand alone systems or integrate one with your existing RAM products.
