FEATURES

- Universal scanner gun holder features replaceable elastomeric fins for a secure fit
- Includes both side and bottom mounting attachment points; compatible with GDS® shoulder strap accessory and third-party lanyards
- Backed by a lifetime warranty

PRODUCT INFORMATION

OVERVIEW

Whether it is a vehicle mounted terminal, tablet or monitor mount, RAM has a full range of solutions to meet the demands of the toughest users. RAM has once again innovated with the Power-Grip™ Universal Scanner Gun Holder. This product is compatible with a wide range of ruggedized 2D barcode scanners and is compatible with RAM's full range of forklift mounting systems, as well as mounting systems for a variety of mounting scenarios. Using a variety of high strength, quality materials, The Power-Grip™ securely locates your 2D barcode scanner while you aren't using it. When required, the 2D barcode scanner easily removes to quickly scan the desired item. The unique open bottom design enables scanning while in the holder. Replaceable elastomeric fins grip the handle of the scanner tight to ensure the most secure fit, and can be easily replaced if required. Backed with RAM's renowned lifetime warranty, the Power-Grip™ Universal Scanner Gun Holder is an essential accessory for your 2D barcode scanner.
