- Vehicle hardwire charger included
- Back by a 3-year warranty

PRODUCT INFORMATION**OVERVIEW**

The RAM® USB-C Powered Dock for Tab Active5 & 3 with Hardwire Charger (RAM-HOL-SAM60CP-V7CU) meets the demands of field workers in a variety of applications, including transportation, field sales, logistics, manufacturing, and much more. Power capabilities are provided to the device through pogo pins, and you can easily rotate the device for use in portrait or landscape mode. This cradle is also compatible with the RAM® Skin™ or factory device skin, as well as GDS® Hand-Stand™ and shoulder strap accessories. Access to the stylus remains while the device is docked. The dock delivers power via the USB Type-C female pigtail and Modular 10-30V Hardwire Charger. Included is a set of four nuts and bolts to connect the cradle to any RAM® components containing the universal AMPS hole pattern and USB-C cable clamp with zip ties for cable management and retention.
