## RAM® Portable Friction Dashboard Base

**Part #:** RAP-279C **UPC:** 793442938207

### FEATURES

- Securely holds GPS systems, Smartphones, small tablets and more to a vehicle dash
- Works with any suction cup mount bracket
- Weighted with an anti-skid bottom for any dash
- Compact, easy to stow when not in use
- Backed by a lifetime warranty

**PRODUCT INFORMATION****OVERVIEW**

Keep your mobile device in place with this portable friction mount. It will keep your mobile device in plain view when needed, and can easily be stowed when not in use. This product is compatible with all RAM suction cup mounts, as well as all suction cup mounting brackets. Ideal for locations where window mounted suction cups are prohibited, or as a simple solution for quickly mounting your device.
