PRODUCT INFORMATION

OVERVIEW

Wrap your Samsung Galaxy XCover7 Pro in the RAM® Skin™ designed specifically for the XCover7 and XCover6. This protective sleeve is non-powered and features an included, optional belt clip adapter for enhanced ease of use and is MIL-STD-810H drop test protected. Compatible with the RAM® 6-Port Charging Dock (RAM-DOCK-6G-SAM84CPU) which allows for charging up to six XCover7 Pro devices simultaneously and the RAM® EZ-Roll'r™ Powered Dock (RAM-HOL-SAM84CPU), RAM® offers a variety of charging solutions for your XCover6 Pro, whether you're on-the-go or stationary. When your device is docked in the RAM® EZ-Roll'r™, complete your solution by pairing it with B or C size RAM® mounting components that feature our 2-hole AMPS pattern diamond ball base. The RAM® Skin™ for the Samsung XCover7 Pro is backed by a lifetime warranty.
