- Backed by a 3-year warranty

PRODUCT INFORMATION	
OVERVIEW	The GDS® 6-Port Powered Dock for Tablets with IntelliSkin® (RAM-GDS-DOCK-6G16P) was designed specifically to support up to six tablets wrapped in GDS® Intelliskin®, but will also support any other IntelliSkin® Next Gen. This desktop dock reduces the amount of charging cords needed to charge each device by consolidating power through one cord and providing each handheld with its own charging bay to reduce clutter. Efficiently charge each tablet while not in-use or overnight with up to 30% faster charging with GDS® Technology™ . Always Protected. Always Connected.®
