RAM® Ball Adapter with 1/2" Hex Pad - B Size

Part #: RAP-B-409U    UPC: 793442950513

| PRODUCT INFORMATION |                                                                                                                                                                                                                                                                                                        |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| OVERVIEW            | The RAP-B-409U consists of a 1" diameter rubber ball with an integrated hex post and ability to connect using a machine screw and nylock nut. This reduces the footprint of the mount and enables the mount to connect to a large variety of RAM Mount and third party cradles where space is limited. |

| SPECIFICATIONS    |                                                         |
