RAM® 6-Port Charging Dock for Samsung XCover7 Pro & 6 Pro Without Case

Part # RAM-DOCK-6G-SAM84PU UPC 793442901300

Price \$590.49

OVERVIEW

This RAM® 6-Port desktop dock charging station was designed specifically to support up to six Samsung Galaxy XCover7 Pro or XCover6 Pro devices without cases. This desktop dock reduces the amount of charging cords needed to charge each device by consolidating power through one cord and providing each Samsung Galaxy XCover7 or XCover6 Pro with its own charging bay to reduce clutter. With 10W of power output to each device you can efficiently charge each device while not in-use or overnight.

FEATURES

- Charges up to six Samsung Galaxy XCover7 Pro or XCover6 Pros simultaneously without a case; 10W power output per device port
- Plugs directly into standard wall outlets
- Weighted base and rubber feet for stability
- Backed by a 3-year warranty
