PATENTED

RAM® EZ-Roll'r™ Cradle with Belt Clip Lever for XCover 7, 7 Pro & 6 Pro

Part # RAM-BC1L-SAM84U **UPC** 793442025389

Price \$47.49

OVERVIEW

The RAM® EZ-Roll'r™ Cradle with Belt Clip Lever for XCover6 Pro or XCover7 with IntelliSkin® (RAM-BC1L-SAM84U) is a form-fit device holder that enables workers to go hands-free and position their device for quick access on their belt. Reduce the number of devices in your fleet being left behind or damaged with this solution. It is designed for users to place the device face-in to protect the screen and extend the life of the device. This solution is also compatible with the XCover6 Pro or XCover7 wrapped in a RAM® Skin™, however it will have a small gap on each side that does not affect the overall function of the solution.

FEATURES

- Form-fit device holder for XCover6 Pro, XCover7 & 7 Pro wrapped in IntelliSkin® or OEM Case
- Integrated GDS® Belt Clip Lever secures holder to any belt or strap
- Back by a lifetime warranty
