RAM® Vehicle Dock for XCover7 Pro & 6 Pro with Case / RAM® Skin™

Part #: RAM-HOL-V15-SAM84CPU **UPC:** 793442030024 **Patent Pending**

FEATURES

- Spring-loaded powered dock featuring USB-C device connection designed for the Samsung XCover7/6 Pro with OEM case or RAM® Skin™
- Back cavity accommodates OEM ergonomic accessories
- Compatible with RAM® diamond bases for attaching a double socket arm; ball and socket technology allows for near-infinite adjustability
- Made of high-strength composites for durability and reliability in the most demanding environments
- Backed by a 3-year warranty

PRODUCT INFORMATION	
OVERVIEW	The RAM® Vehicle Dock for XCover7 Pro & 6 Pro with Case / RAM® Skin™ (RAM-HOL-V15-SAM84CPU) is a rugged dock that will meet and exceed the demands of modern workflows, featuring a USB-C connection tested for more than 250,000 cycles. The spring-loaded design of this dock allows for a quick one-handed insertion or removal of your device while the precise design of the dock body minimizes human error and port damage when docking the device onto the USB-C male connector. The back cavity of the dock accommodates ergonomic accessories secured to the back of the device. An integrated cutout on the top allows for the ability to access the device's top button without removing the device from the dock. Complete the solution by building your mount—this holder is RAM® Compatible™ featuring a 2-hole AMPS pattern for adding a diamond ball adapter.
